

The Essex Regional Retirement System is seeking a **Retirement Counselor**, who will be responsible for the processing of superannuation and disability retirement applications, and for the management of service purchases. The starting salary range for this position is \$70,000 to \$80,000, with the potential for limited remote working. A full position description is available on the News and Announcements Page of the retirement system's website, www.essexregional.com. Interested candidates should send their cover letter and resume to Charles E. Kostro, Executive Director, at ckostro@essexrrs.org. Only electronic submissions will be accepted for this position. Interviews will begin immediately, and this position will remain opened until filled.
